Dear Mr. Appasa -
 I am sorry for not

replying to your letter earlier.
 Myself was most nervous about

about Gaudhiji was that he
 was a relentless critic of
 the oppression of the masses
 and was

opposed to injustice in every form
 & therefore his great resistance
 movements were directed ^{against} colonial and
 racial oppression.

I hope you will study his
 writings and benefit by the thought
 of Gaudhiji.

With best wishes,
 Yours sincerely,
 Anna Asaph.
