Dear friend,

I am sorry I could not reply to your
letter of June 25. 1970 earlier. I hope you will
excuse the delay.

It is very difficult to answer your
question. You want me to tell you what
single facet of Gandhi's life impressed me
most. I cannot isolate any single facet from
all the rest that impressed me. They all
constituted an integral whole. Let me
then put it this way. What impressed me
most about Gandhi was his all-
embracing love, which manifested itself
in his relentless observance of his
few basic spiritual vows in his
search for Truth - the Ultimate Reality -
which is all love, total intelligence and
all bliss - Sat - Chit - Anand.

I shall be glad to answer any
question you may wish to ask.

Yours sincerely
Jyoti
